

# Choosing a Tattoo Checklist

## #1 Pick a Design

- **Fine line** - delicate style that takes a minimalistic approach
- **Blackwork** - make a bold statement and can include geometric patterns
- **Watercolor** - uses colored ink to look like a typical water color painting
- **Traditional** - thick bold lines and solid colors

## #2 Make it Personal

- What does it mean to you personally?
  - Is there a special date that you always want to remember?
  - Did a loved one pass away and you want to remember them?
  - Do you like a specific quote or song?

## #3 Placement

- Consider size of tattoo compared to body part
- What area would that particular tattoo mean the most to you?

## #4 Pick an Artist

- Choose someone whose work reflects your favorite style
- Ask for a consulting visit

## #5 Go For IT!

- Schedule your tattoo and then follow the healing instructions
